Resource Provision Curriculum Map - Autumn 2 2026

Woodlands and Treetops

Key Texts

Our key texts will be...

Our Theme

Our theme this half term will be about animals and winter. We will explore animals that we see in our stories and complete lots of different activities.

Life Skills Opportunities

During this half term, we will be learning to wash our hands and learning to put our shoes and socks on. There will be baking opportunities - we will make Gruffalo crumble and learn how to prepare a slice of toast.

Examples of Activities

The children will be exposed to lots of sensory activities linked to the stories. We will look at who is in the stories and do lots of art work linked to the different animals.

Makaton Sign we will learn

We will learn Makaton for...

- more
- sitting
- wait
- wash hands
- tidy up
- finished
- toilet

Parent Links

We use Tapestry to record the children's experiences and activities that they do at school.
If you need access to this, please speak to a member of staff.

New Bewerley 30

Children in Woodlands and Treetops enjoy taking part in our New Bewerley 30. This half term we will be learning how to use a knife and fork. We will do this during provision time using a range of resources and when we eat our lunch. Celebrating a festival will be our other NB30; we will partake in different activities linked to Christmas. Have a look on Tapestry to see what we get up to.
