Year 1 Curriculum Map - Autumn 2 2026

How has my school changed over time?

Maths

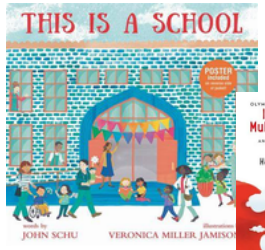

In Maths, we will be continuing with Addition and Subtraction. We will learn to use part-whole models, number bonds and fact families.

We will then move on to Geometry, and will be looking at 2D and 3D shapes.

Reading Texts

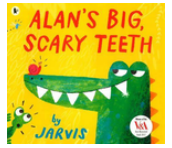

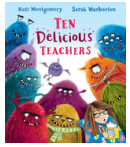

Writing

In Writing, we will be starting Curious Quests which will further support a love of stories and writing whilst allowing children to meet some very exciting characters along the way!

PE

In PE, Year 1 will continue with weekly sessions with Hunslet Rugby club.

We will also focus on skills needed for football such as accuracy, ball control and dribbling.

History

Our focus in History this half term will be learning about how New Bewerley has changed over time. We will look at Hillside Primary School and compare it to New Bewerley which was built in 2006.

Art & Design Technology

In DT this half term, we will be learning about how to make levers and sliders.

We will then use these mechanisms to make cards for Christmas.

Art & Design Technology

In Science, we will be learning about materials around us and their properties.

We will also learn about seasonal changes and the weather.

PSHE

In PSHE, we will be focusing on 'Celebrating difference,' learning about things that are the same and things that are different.
We will also discuss the topic of bullying.

In RE, we will learn about which stories and books are important to different faiths.

NB60 & Trips / Visits

Year 1 will be visiting the local library and a local church this half term.
