Year 4 Curriculum Map - Autumn 2 2026

How does water journey from land to sea?

English

- In Reading, we will continue reading the book called 'Matilda' by Roald Dahl. We will be reading for a range of different purposes, identifying themes in texts and comparing them as well as further investigating the impact of vocabulary on the reader.
- In Writing, we will be writing a set of instructions inspired by our den building experience. We will also be writing a narrative inspired by the book 'Flood'.

Humanities

- In Geography, we will be studying the water cycle. Using political maps, globes and atlases, we will locate some of the world's major rivers and describe their formation. We will investigate key aspects of mountain formation and identify mountain features in the UK.
- In Spanish, the unit we will study is 'presenting myself'. We will build upon the vocabulary we have already learned and focus on asking questions and providing accurate answers.

Art & DT

- In Art/DT, our unit of study will be shell structures. We will study the artwork of Zaha Hadid who is a famous Iraqi-British architect and artist known for her eccentric buildings. She even designed the London aquatics centre for the 2012 Olympic games in London!
- In Cooking, we will practice our cutting, blending and mixing skills. We will also learn how to bake banana and date bread.

Quality Texts

STEM

- In Maths, we will begin with multiplication and division and move on to learning about area. Your children will be learning up to their 12 times tables in maths. We will continue prepare children to MTC check.
- In Science, we will be learning about electrical circuits and what makes a circuit work effectively.
- In Computing, we will be studying audio production. We will learn how input and output devices are required to work with sound digitally.

Personal Development

- In PSHE, we will be studying the topic 'Celebrating differences,' exploring what makes us different and unique.
- In PE, we will be developing our skills in playing hockey and handball.

New Bewerley 60 Experiences

- Den Building
- Go Carol Singing
- Glockenspiel Stage 2

Trips & Visits

Extracurricular Clubs
