WELCOME BACK.....AND A WARM WELCOME TO KEY STAGE 2

We hope you have had a lovely summer. We are looking forward to starting a new school year with lots of exciting challenges and experiences ahead. The children have already made a great start, and we're looking forward to all the learning, fun, and new experiences this term will bring.

SATS

As a key stage, we are working hard to support your child in their journey towards successful SATs outcomes. Further support including homework and boosters will be offered throughout the year.

ATTENDANCE

We are aiming for 96% or above attendance for every child.

Please ensure that your child is in school every day, and on time. The school gates open at 8:35am, and classroom doors open at 8:45am.

ARBOR

Have you got Arbor?

We are using Arbor to communicate with parents and carers now. To do this, all parents and carers need to download the app from their App Store. We are working towards parents being able to book appointments, parental consultations, track your child's attendance and update information using the app.
