Year 6 Curriculum Map - Autumn 2 2026

What can we learn about climate change?

STEM

- In Maths, we will learn about fractions, percentages and statistics, and we will continue multiplication and division.
- In Science, we will explore living things and their habitats, developing our understanding of how animals are classified and grouped.
- In Computing, we will learn all about copyright and website production.

Writing

In Writing, we are going to use our persuasive powers to try and convince one of our govenors that New Bewerley should also have a two-week half-term like some other schools in Leeds!
We will be using our RERF visit to inspire some non-chronological report writing which links nicely to our climate change topic, too.

PSHE, RE and PE

- In PSHE, we will be celebrating difference: How can we challenge sexism? And can we respect different relationships?
- In RE, we will continue exploring the question: How and why are Jewish festivals celebrated? This topic will include the importance of the Covenant, the story of Moses and the Exodus, the meaning behind the festival of Sukkot and how Jews observe Shabbat.
- In PE, our outdoor sessions will be netball and our indoor sessions will be dodgeball.

Reading

In Reading, we are going to be focusing on a range of texts to support with our understanding of comprehension. We will look at some Spooky haunted fiction texts, non fiction style pieces based around important male figures in History, texts linked to Remembrance day and finishing of with links of Christmas and celebrations.

Humanities

In Geography we will look at how climate change is effecting our weather in the UK. We will begin to understand the process of global warming and the implications of this on our environment.

Quality Texts

Art & Design Technology

We are going to use our topic of climate change to link to our art work. We will be using water colour, learning about tints and shades.

Extracurricular Clubs

TTRS and Lexia - before school with Miss Bousfield

Rugby and Hockey Club - external coaches

Enterprise Club - Miss Craine/Miss Barnes

NB60 & Trips / Visits

RERF Trip

Raising money for Charity
